Women's Secrets

There is one man in the United States who has perhaps heard more women's secrets than any other man or woman in the country. These secrets are not secrets of guilt or shame, but the secrets of suffering, and they have been confided to Dr. R. V. Pierce in the hope and expectation of advice and help. That few of these women have been disappointed in their expectations is proved by the fact that ninety-eight per cent. of all women treated by Dr. Pierce have been absolutely and altogether cured. Such a record would be remarkable if the cases treated were numbered by hundreds only. But when that record applies to the treatment of more than half a million women, in a practice of over 40 years, it is phenomenal, and entitles Dr. Pierce to the gratitude accorded him by women, as the first of specialists in the treatment of women's diseases.

Every sick woman may consult Dr. Pierce by letter, absolutely without charge. All replies are mailed, sealed in perfectly plain envelopes, without any printing or advertising whatever, upon them. Write without fear as without fee, to World's Dispensary Medical Association, Dr. R. V. Pierce, Pres., Buffalo, N. Y.

LEWIS—DEVAUGHN

Mr. Richard Lewis and Miss Mattie Devaughn, both of Bracken county, were married yesterday morning in this city at the County Clerk's office, Rev. W. W. Hall officiating.

GAITHER—HARRISON.

Miss Sadie Ruth Harrison and Mr. Riley Moore Gaither, a young business man of Cincinnati, were married yesterday at the home of the bride's parents, Mr. and Mrs. R. W. Harrison, near Wedonia.

The maid of honor was Miss Elsie Cley McIntire of Marietta, and the best man was the bride's brother, Mr. David Harrison. There were nearly three hundred guests present and the nuptials were among the notable events of the season.

Immediately after the wedding they left for Cincinnati, where they will make their home.

BRONCHITIS

To Whom It May Concern:

BLUEVALE, ONT., May 4th, 1910. "I was sick for ten years with chronic bronchitis and a consequent run-down condition. I received no benefit from doctors or from a trip when I took for my health and I had to give up work. Vinol was recommended and from the second bottle I commenced to improve. I gained in weight and strength, my bronchitis troubles disappeared, and I am at work again. I want to recommend Vinol to anyone who is in need of such a medicine." Thomas Higgins (We guarantee to return money if not genuine). It is the combined action of the curative elements of the cod's liver aided by the blood making and strength creating properties of cod liver oil contained in Vinol which makes it so successful in curing bronchitis. Vinol is a constitution remedy for chronic coughs, colds, bronchitis and pulmonary troubles, not a palliative like cough syrups. Vinol contains no oil or drugs and is far more efficacious than cough mixtures, because it cures the cause. Try it. If you don't think it helps you, we will return your money. John C. Pecor, Druggist, Mayaville, Ky.

LEWIS B. SROUFE.

The remains of Mr. Lewis B. Sroufe passed through this city this morning en route to Dover for interment.

Mr. Sroufe was taken ill at Corbin and was removed to a Lexington hospital, where he passed away.

He was about 30 years of age and was well known in this city and county.

He was the son of Mr. James K. Sroufe, who accompanied the remains here.

ALBERT HAUCKE.

Mr. Albert Haucke, who for the past eight years has been an invalid, three of which he had been unable to walk a step, and for the past twelve months had been confined to his bed, died yesterday morning at 11 o'clock at his home in Forest avenue, aged 67 years.

He was a native of Setzdorf, Austria, and was born April 1, 1843. December 15th, 1870, he was married to Miss Leon Stewart in this city, and had he lived till today would have passed forty years in the house in which he died.

He was a cigar maker by trade, having served his apprenticeship under the late General Shaffer, and later was a member of the firm of Childs, Robinson & Haucke. He was also a music teacher of note, and was a leader of Haucke's Brass Band—the celebrated "5-15-22."

He was a kind husband and father and was esteemed as a good neighbor and citizen.

Besides his widow he is survived by one daughter and four sons—Miss Garnett and Messrs. Sylvester, George, Charles and Frank H. Haucke, all of this city. He also leaves one brother, Mr. Frank Haucke, residing in Denver, Col.

The funeral will take place Friday afternoon at 2 o'clock from his late residence, 422 Forest avenue, with services by Rev. R. L. Benn of the Central Presbyterian Church. Interment in Mayaville Cemetery.

GO TO THE RESCUE.

Don't Wait Till It's Too Late—Follow the Example of a Mayaville Citizen

Rescue the aching back. If it keeps on aching, trouble comes. Backache is kidney ache. If you neglect the kidneys' warning, Look out for urinary troubles—diabetes. This Mayaville citizen will show you how to go to the rescue.

M. C. Chisholm, 317 East Second street, Mayaville, Ky., states:

"The cure Doan's Kidney Pills effected in my case some years ago has been permanent, and the public testimonial I then gave in their favor still holds good. I was bothered a great deal by too frequent passages of the kidney secretions, this weakness being especially annoying at night, when I was obliged to arise several times. Having my attention called to Doan's Kidney Pills, I procured a box at J. J. Wood & Son's drugstore, and had taken them only a short time before I noticed a marked improvement. They soon cured me, and I have since learned of several other cases where they have been used with good results."

For sale by all dealers. Price 50 cents. Foster-McLibre Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—take no other.

Failed in Health

"My mother died six years ago," writes Miss Ruth Ward, of Jerseyville, Ill., "and left me to care for six children. I had never been strong; and this, with the shock of her death, was too much for me. "I failed in health. I was tired all the time and did not want to go anywhere, nor care for company. I had the headache all the time and such bearing-down pains. "A very dear friend advised me to take Cardui, as it had done her so much good, so I commenced to use it and now I am in good health."

K. of P. Figures

According to the latest figures the Subordinate Lodges of the Knights of Pythias in Kentucky own property worth \$175,000. This places Kentucky seventh in the list of States in the Union in point of property owned by Subordinate Lodges, and shows the Order in this State to be very strong, ranking one step ahead of New York State, which has \$170,000 worth of Knights of Pythias property and ahead of every State in the South in point of property held except Louisiana, which has \$225,000 worth.

SLAVE PENSIONS

Kentucky Legislature Legalized
Slave Marriages Which Helps
Negroes

Shortly after the War the Kentucky Legislature passed an act allowing all slaves who had married in bondage to go before the County Clerk and make a declaration, thereby legitimizing their marriage and issue. Owing to ignorance this was done in but a few instances, the consequences being that the Pension Bureau turned down all widows' and orphans' pension claims.

At the last session of the Kentucky Legislature Senator Bradley prepared a bill which was put through both Houses by State Senator Curdson of Louisville, making the customary slave marriages legitimate. They were usually performed without license.

The Pension Bureau has ruled that it can now consider any claims which may be filed since the act of the Legislature went into effect last July.

All claims that were filed before that date must be refilled.

There are several hundred cases in the State of Negro soldiers whose descendants will become pensionable under the ruling of the Pension Bureau.

BURLEY MEETING

Growers of Bluegrass Section Will
Take Action Next Monday on
Tobacco Situation

This Morning's Lexington Herald.

It was learned that the list of signers to the call for the meeting to be held in Lexington on Monday, December 19th, includes many of the most prominent and substantial farmers and tobacco growers in the counties of Fayette, Madison, Woodford, Jessamine, Mercer, Bath and Owen, and that on account of what was stated to be the discouraging and ruinous prices now prevailing, as well as the equally gloomy prospect in store for them in the future, they have been prompted to take this step and hold a meeting of all the tobacco growers for the purpose of getting together on some common ground and working out a plan for their mutual self-protection.

Judging from the general dissatisfaction apparently prevailing among all the tobacco growers on account of the treatment received by them at the hands of the American Tobacco

Company in withdrawing their buyers from the field and immediately crushing prices as soon as the pool of the Burley Society was dissolved, this meeting promises to be largely attended and probably means a uniting of all the tobacco growing interests in the Burley Tobacco District.

"Judge, he threatened to send me home, C. O. D.," said Mrs. Henrietta Hallix in testifying against her husband in the Covington Police Court Wednesday morning.

Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work.
